"Red apples are decorated to look like lady bugs. This is a quick and fun snack that kids will enjoy making and eating. For once kids can play with their food."

Ingredients

2 red apples
1/4 cup raisins

1 tablespoon peanut butter
8 thin pretzel sticks

Directions

- 1 Slice apples in half from top to bottom and scoop out the cores using a knife or melon baller. If you have an apple corer, core them first, then slice. Place each apple half flat side down on a small plate.
- 2 Dab peanut butter on to the back of the 'lady bug', then stick raisins onto the dabs for spots. Use this method to make eyes too. Stick one end of each pretzel stick into a raisin, then press the other end into the apples to make antennae.

Stress-Releasing Yoga Pose Pigeon

Start in a seated position. Bring your left knee forward and place it on the floor behind your left wrist; line your left ankle up with your right wrist. Lower your hips and straighten your right leg on the floor directly behind your right hip, then rest the top of your foot on the floor. Lift your chest and hold for five to 10 breaths. For a deeper stretch, reach your arms in front of you, lowering your upper body to the floor. Great for stretching thighs and hip flexors. It is wonderful for those who sit at a desk all day!
