

The Albert Gallatin Area School District is pleased to announce the 2023-2024 school year transportation schedule for public schools. Parents are reminded to send the students to the bus stops five (5) minutes before the assigned time. Drivers are not required to bring traffic to a stop if the student(s) are not out and visible. Times may vary slightly during the opening weeks of school, but should become stable. In the case of a late bus, students should wait at least twenty minutes for a bus arrival. The schedule lists all areas and roads that the buses travel. The time listed represents the very first stop for each route. Please estimate your bus stop times based upon the starting time and route followed to arrive at your location. All non-public, private, and special program participants will be contacted individually with bus stop times. Transportation Schedule can also be viewed on the School Districts website at www.agasd.org. Specific transportation questions can be addressed by calling Dr. Hutchinson at the District Administration office at (724) 564-7190 x8121 or by calling the bus company, Student Transportation of America at (724) 856-0482.

ALBERT GALLATIN SENIOR HIGH SCHOOL
